

Gift of Goodness 2020

Help Spread the Goodness

Who we are

CatholicCare Sydney helps Sydney families and individuals with issues around relationships, parenting, ageing, disabilities, addictions and mental health concerns. We are the social services agency of the Archdiocese of Sydney. Our aim is to help people to live and thrive at every age, irrespective of beliefs and abilities. This has been our aim for over 75 years.

The Gift of Goodness campaign is run throughout Sydney Catholic Schools in Terms 3 and 4 to encourage charitable giving especially in this difficult time.

Your support in the past

Thanks to generous support from schools like yours in the past, funds were raised to deliver fresh food hampers to hundreds of families across Sydney. This helped to put healthy and nutritious meals on the table at Christmas time. Additional funds raised were used to provide vital services to individuals, families and seniors.

In 2019, up to 50 schools and almost 15,000 students supported the Gift of Goodness campaign which raised over \$32,000 for vulnerable families, and provided up to 450 fresh food hampers to grateful people in need.

Make 2020 the Year Your School 'Spreads Goodness' to People in Need!

Due to the broad impact of the COVID-19 pandemic, CatholicCare Sydney is experiencing an increase in demand for our vital support services.

This year, CatholicCare Sydney needs the continued support from Sydney Catholic Schools more than ever to continue to provide services to those who are most vulnerable in our community.

During Terms 3 and 4 CatholicCare's Mission and Outreach team will be:

1. Asking your leaders how best to demonstrate charity in this time of change
2. Available to present at school assemblies and Family Masses around the theme of charity and social justice
3. Providing resources digitally to use in the classroom
