

Fundraising Ideas to help your school spread the goodness to people in need

Gift of Goodness inspires communities to come together to raise much needed funds for the most vulnerable women, children and men in Sydney.

Get inspired with these fun ideas to help you reach your fundraising goal, or visit www.GiftofGoodness.org for more information about fundraising for Gift of Goodness.

Hold a Mufti Day

One of the easiest ways to get your school involved in Gift of Goodness is to hold a mufti day with a gold coin donation to help families in our community in crisis.

Don't delay - If you are a social justice leader in your school, lead the way and book in a Mufti Day today!

Host a trivia event

Teachers think they have all the answers don't they? Or do the students know more than the teachers?

Put them to the test with a school trivia event!

Invite teachers, parents and students to make a team and let the winners take the glory! Sell tickets to the event to raise funds and enjoy some fun banter.

Bake the Goodness

Who doesn't love sweet treats?

Get the school community involved with a bake sale, and you can have your cake and eat it too.

Host a sporting event

Bring the whole school together with a special lunchtime sporting event and enjoy some healthy competition.

Think a fun and friendly soccer, football or netball match - Teachers against students!

Gold coin donation to watch - who would miss that?!

Put on a show

Do you have lots of talented artists and performers in your school?

Hold a talent quest, a tik-tok dance off competition, karaoke show or a comedy gala and sell tickets to watch the show.

Not only will this be a great school community event, it will also raise much needed funds for those most vulnerable in our community.

Chores for Charity

Get students to win their family over by doing extra household chores for donations:

- ✓ Wash the car for \$10
- ✓ Bath the dog for \$5
- ✓ Put the bins out for \$2

Make the parents happy and raise funds for vital support services - Everybody wins!

Set up your own online fundraising page for your special event and ask your friends, family or even your neighbours to sponsor you!
