

A PRAYER FOR COUPLES PREPARING FOR MARRIAGE

Loving God,

Through your grace and love, you have brought us to one another and led us to this period of engagement. As we begin to make plans for our wedding and future life together, we pray that we do not lose sight of the importance of the sacrament we are preparing to receive.

May every step we take towards our marriage be in line with your will.

Help us to live in harmony with one another. During times of conflict, direct our path towards patience and forgiveness. During times of joy, direct our paths towards gratitude and love. And during times of uncertainty, direct our paths towards faith and trust in each other and in You.

Fill our hearts with love, that we may reflect your grace and peace in everything we do, in our love for each other and the special people in our lives.

Guide us to work together to fulfil your purpose for us as a couple.

May our trust and faith in you be the foundation of everything we do, throughout our life together, where love and respect abound.

Amen
