

A PRAYER FOR COUPLES PREPARING FOR MARRIAGE

God of Love,

We thank You for our joyful engagement and the commitment we have made to each other. We pray that you watch over us as we journey towards learning more about ourselves and each other, and the uniqueness of our relationship.

During times when we encounter a difference of opinion... Help us to grow in understanding and compromise.

During times when we will need to make challenging decisions... Help us to grow in courage and integrity.

During times when we are feeling overwhelmed... Help us to grow in faith and trust.

During times when problems and issues arise... Help us to grow in wisdom and insight.

During times when mistakes are made... Help us to grow in forgiveness and compassion.

During times of great joy and celebration... Help us to grow in gratitude and appreciation.

During everyday moments of our life together... Help us to grow in love and respect.

Loving God, continue to bless us and guide us with your loving hand as we journey towards our marriage and a life together. We ask this through Christ your Son.

Amen.
