

A BLESSING FOR COUPLES PREPARING FOR MARRIAGE

Loving God,

Through your grace and love, you have brought <insert his name> and <insert her name> to one another and led them to this period of engagement. As they begin to make plans for their wedding and future life together, we pray that they do not lose sight of the importance of the sacrament they are preparing to receive. May every step they take towards their marriage be in line with your will.

Help <insert his name> and <insert her name> to live in harmony with one another. During times of conflict, direct their path towards patience and forgiveness. During times of joy, direct their paths towards gratitude and love. And during times of uncertainty, direct their paths towards faith and trust in each other and in You.

Fill their hearts with love, that they may reflect your grace and peace in everything they do, in their love for each other and the special people in their lives.

Guide <insert his name> and <insert her name> to work together to fulfil your purpose for them as a couple. May their trust and faith in you be the foundation of everything they do, throughout their life together, where love and respect abound.

May almighty God bless you, both. In the name of the Father, and of the Son and of the Holy Spirit.

Amen
