Send Gifts of Goodness to children in need

Unfortunately, not all children are born into safe and secure homes.

Children born into poverty, homelessness, and disadvantage need access to vital support to help them grow and thrive.

This year, CatholicCare Sydney's Gift of Goodness campaign is focused on raising awareness and funds for our most vulnerable- babies and children.

Your school has committed to raise awareness of social justice issues in our community and in turn, raise vital funds to support those most in need.

Send a Gift of Goodness today to support your school's initiative and ensure all children and their families have access to vital support to help them thrive!

If you would like to make a tax deductable donation, please visit www.GiftofGoodness.org and ensure that you add in your school name so all funds will go towards your school's total.

Alternatively your school may have set up their own fundraising page so check with your teacher for details.

Your gifts will help little ones grow...

$50
Can buy a backpack filled with the basic school essentials for a child who may go without

$25
Buys an age-appropriate book for a mum to read to their child
