

GIFT OF GOODNESS

The Gift of Goodness campaign takes place in Term 4 in Sydney Catholic Schools to encourage charitable giving, supporting those most in need in our community.

CatholicCare Sydney

CatholicCare Sydney helps Sydney families and individuals with issues around relationships, parenting, ageing, disabilities, addictions and mental health concerns. We are the social services agency of the Archdiocese of Sydney. Our aim is to help people to live and thrive at every age. This has been our aim for over 80 years.

Your Gift of Goodness

This year, the Gift of Goodness campaign is focused on raising awareness and funds for our most vulnerable, babies and children.

Harnessing the strong relationship between Sydney Catholic Schools and CatholicCare, with our shared values and strong faith, together we raise awareness of social justice issues in our community as well as vital funds to support those most in need.

Your School's Gifts of Goodness will ensure our most vulnerable babies and children can thrive.

To register your school for the 2023 Gift of Goodness campaign or book a presentation to your school group or assembly please contact the Gift of Goodness team at info@giftofgoodness.org
