What funding options are available?

Your CatholicCare Sydney Home Care Services can be partly or fully funded by the government, through a Home Care Package (HCP), which you can apply for on the My Aged Care website. As an approved HCP provider, we'll guide you through the process with care and understanding.

What happens after I've been given a Home Care Package?

Once your HCP has been allocated, we'll connect you with one of our Home Care Specialists to help you manage the services you select.

How are CatholicCare Sydney Home Care Services managed and delivered?

At CatholicCare Sydney, you'll be assigned a Care Manager who will assist with the management and set-up of your services, including your roster, budget, and initial care plan. If your needs or priorities change, we'll work with you to make appropriate changes to your care plan.
