Service Guarantee – Up to 2 Hours of Everyday Living Support Per Week

As a Classification 1 client, choosing services like housekeeping, social or personal support, or respite entitles you to **up to 2 hours of guaranteed weekly support**. If you require higher-level care, your hours may be adjusted to provide the most suitable support.

Minimum service charge: A minimum charge equivalent to one hour of service (or up to half an hour for short services) applies to all services.

Cancellations: Notice must be received at least 48 hours before the scheduled service or a cancellation fee equivalent to the duration of the scheduled service up to a maximum of one hour may apply, unless otherwise agreed.

Allied Health Service Duration: One hour of service is split between: 30 minutes client facing time, 15 minutes administration time and 15 minutes indirect service time. Indirect services: these services are delivered for you without you present. This may include attending case conferences, monitoring and reviewing plans, making referrals or liaising with equipment suppliers.

Non-CatholicCare Sydney Services: When you request and we agree to engage staff from a third-party service provider, the following changes will apply. If the provider’s charges exceed CatholicCare Sydney’s standard rate for third-party staff, the total cost will include the provider’s invoiced charges plus a 10% charge to cover additional business costs. The total charge will be agreed with you before the third-party service provider is arranged.

Third Party Rates: Quotes are for CatholicCare staff and may vary if external staff are used.

Total charges will be agreed with you before any external staff is arranged.

Additional costs: Support staff will not be responsible for out-of-pocket costs such as parking fees, entertainment or similar costs associated with client services.
